

Groups

We have the opportunity for groups up to 26 people to dine in a separate room. On weekdays (Monday to Thursday) we can also reserve a part of our restaurant for larger groups (up to 40 people).

If your party is larger than 10 people it is necessary to limit the choice in your meal. This way we can assure you and the other guests a pleasant evening.

We offer 3 menu options. As a group you pick **one** of these options at least a few days before your dinner. We can add a vegetarian option if you like. All your guests can choose within the chosen menu at the dinner table.
