

GROUP DINING

For parties up to 26 guests we have a separate area for group dining. Sunday through Thursday we have room for groups up to 40 guests.

For parties over 10 guests we must limit your choice somewhat.

How does it work?

1. You choose one of our group menu's below 2 days in advance
2. At the dinner table all guests choose from this menu the starter, main and dessert they wish
3. We have vegetarian options for every menu, just ask the service
4. Guests with special diets or allergies are requested to contact us in advance
